

INFOSAT VALUE BUNDLE

OBEY THE TRAFFIC ACT - BILL 16 BUNDLE HANDS FREE ACCESS TO THE IRIDIUM 9555 SATELLITE PHONE

The Iridium 9555 and the Beam IntelliDOCK work together to bring our customers powerful hands free options when they are using their Iridium 9555 satellite phones. This essential pairing is now conveniently available to you in a bundle along with a post paid SIM Card activation—just in time to comply with changes to your local traffic act, like Alberta’s Bill-16 which is now being enforced in Alberta.

This value bundle provides you with two different hands free options for use in your vehicle or mobile office—Privacy Handset or Standard Earpiece. This package offers a total customer savings valued at \$215.00 CDN over the individually priced components.
